Re: Post-Acquisition Integration Support

Dear Mr. Payne:

This letter confirms that Foley Group has engaged Pinebrook Advisory Group LLC to support the integration of your recent acquisition. Integrations fail on sequence, not intent. Our job is to keep the first hundred days in the right order and make sure the issues that decide the outcome get worked before the ones that merely feel urgent.

The work covers:

- An integration plan with owners, sequence, and a weekly operating rhythm for the combined leadership team.
- Consolidation of purchasing and key supplier terms across the two organizations.
- Alignment of financial reporting so the combined business closes its books on one calendar, one chart of accounts.

Jenna Wiley, Principal Consultant, leads the engagement. Jacob Williams, Senior Consultant, owns the supplier and purchasing workstream, and Lisa Hernandez, Analyst, supports the reporting alignment. I will join the steering sessions and remain available to you directly throughout.

Work will begin on August 1, 2021. Given the longer arc of an integration, our professional fee is a fixed fee of \$44,500, invoiced in equal monthly installments across the engagement and inclusive of routine expenses. Scope changes, if any, will be agreed in writing first.

We appreciate the trust this engagement represents. Please sign below and return one copy to my attention.

Sincerely,

Chad Miller

Managing Partner
